

## Relay For Life 2003

**What a peace of mind the CURE will bring!**

Bob & Jo Realty, Inc participated for the second year, with RELAY FOR LIFE. Our theme was directly inspired by Joe Neal, a local Chouteau man who liked to call himself "Hippie Joe". Though not old enough to actually lived through "Woodstock", he certainly displayed a "peace, love & self-expression" type of life style. Regretfully, Joe lost his battle with cancer last Fall.

Our theme, **What a peace of mind the CURE will bring**, won 2<sup>nd</sup>Place for best camp site decorations for the Relay of Life Event. Our site was studded with bright flowers, butterflies, peace signs, smiley faces and tributes to some of our loved ones we lost last year in the cancer battle.

Through fund raising drives our office and friends raised almost \$600.

Relay for Life...get involved....we are!
